

Trimline Cartridge Filters

Compact and Economical Filtration

Trimline cartridge filters are compact, economical filters designed to effectively filter out suspended solids from your pool.

Trimline cartridge filters utilise a specially treated synthetic fabric which is pleated into a cartridge. Cartridge filters are ideal for applications where backwashing may not be practical.

TRIMLINE CARTRIDGE FILTERS

Part Number	Product Description	Nominal Size
21450	Trimline CC50	
21475	Trimline CC75

Trimline Pleated Filter Cartridge

The Trimline pleated filter cartridges are fabricated from pleated reusable polyester fabric. The media has been pleated to provide 4.6 to 9.3 square metres of surface area in order to maximise the cartridge dirt holding capacity and extend the time between cleaning.

Material : Polyester Fabric material, Vinyl Plastisol end caps and a Polypropylene core

Operating Temperature : 4°C to 50°C

Maximum Pressure Drop : 20 kPa

Simple Maintenance

The filter cartridge is easily cleaned by hosing the pleats with a standard garden hose.

Warranty

Waterco is proud to show its absolute confidence in its range of Trimline cartridge filters by offering a 10 (5+5) tank warranty and 1 year warranty on all other components.

Commercial applications attract a 1 year tank warranty.
